OVERVIEW

Bentonville Pride Marching Band

The Bentonville PRIDE Marching Band is a co-curricular organization designed to combine dance, music and visual arts to create a large-scale theatrical production on the football field. The experience your child will gain through this activity will lead to a strong sense of discipline, commitment, time management, character, and confidence at a crucial time in their development; giving them the necessary tools as they venture into their adult lives.

The PRIDE is a family atmosphere that believes in positive experiences for your student. We inspire student leadership and believe that all students in our program, no matter their role, have value and are integral members of our organization. We believe in creating performance experiences that will impact your child and leave them with lifelong memories and friends.

Students are expected to pay for all costs associated with summer camp, travel, hotel, and meals for the Pride Marching Band. The Boosters offset student fees by \$300.00. Boosters pay for creative staff, tech staff, materials, licensing, props, and equipment.

Pre-Game Band

The Pre-Game Band is designed for **ALL** Students in the Bentonville band program (except football and cheer) to participate in football games and be a part of the band program experience. Regardless of a student's exemption status, they are required to attend football games, parades and attend pregame rehearsals. All Pregame Rehearsals are on Friday Home Games.

Concert Band

Concert Band is for all students in the Bentonville Band Program. It is the primary performing organization of the Bentonville Band Program. The Concert Bands meet during the school day and are ability-based ensembles.

- I. Wind Ensemble – The highest musical ensemble at Bentonville High School. Requires the **highest commitment** from students and is a college level class in terms of preparedness, expectations and level of musical literature performed. Students must be committed to daily practice to be a member of the Wind Ensemble. Private Lessons are preferred, but not required.
- II. Symphonic Winds – Is an honor-based ensemble at Bentonville High School. It requires a high commitment from students. Students must come prepared to class and will perform Grade 4-5 literature. Students are expected to practice daily. Private Lessons are preferred but not required.
- III. Symphonic Band – Is a high school level band class that focuses on continued student growth on their individual instruments. The class requires student preparation at a moderate level, practicing at least 4 times a week. Students will perform high school appropriate literature at a Grade 3 level.
- IV. Concert Band – Is our high school ensemble that focuses on students' continued growth on their individual instruments and gaining skills to be in our honor ensembles. Students will perform appropriate literature for their skill sets at a Grade 2 level.

Colorguard/Winterguard

Students in grades 9-12 who are interested in dance, choreography, and movement may choose to audition for our marching band Colorguard and Winterguard. Commitment and performances are the same as the Bentonville Pride Marching Band. **Students who are in Colorguard ARE REQUIRED to be in the Colorguard class.** Fees Apply

Students who wish to be a part of the Winterguard **must** participate in the Colorguard, unless they are new to the program.

Private Lessons

Private Lessons are HIGHLY ENCOURAGED for ALL STUDENTS in the Bentonville Band Program. Private lessons on an instrument are the best way to improve individual performance skills. The one-on-one approach with a qualified lesson teacher allows the student more individualized instruction over that of a classroom of 30 or more students.

91% of the students in the Bentonville Band program who made the Arkansas All-State Band took private lessons.

School Instruments

The Bentonville Bands provide high quality instruments for students to rent per semester. Instruments will be cleaned once a month by the student and are to be returned in the condition in which they were received (all slides working, valves move freely).

NO STUDENT SHOULD EVER LET ANOTHER STUDENT PLAY THEIR SCHOOL INSTRUMENT

Students will be responsible for repairing damage to school instruments when in their possession.

In the case of abuse of a music instrument, the student will be charged for all repairs and will no longer be allowed to rent from the school for the remainder of their high school career.

PE Credit for Marching Band

Students must enroll in a summer course, free of charge that will be 2-6 weeks of asynchronous learning focusing on student health and exercise in order to receive credit. Students are required to enroll in the Google Classroom by June 1st in order to receive credit. Google Classroom Code: **rjdmxa4**

Important: Any student who does fulfill their season commitment will lose their PE credit and will be required by the district to fulfill their PE credit through a traditional course.

Expectations

We have a saying, "Expectation is Love". These are the expectations of the Bentonville Band Program

- Be on time to all rehearsals and performance. "To be early, is to be on time"
- Come to rehearsal prepared. Not just materials, but prepared in mind, attitude and readiness to perform.
- Students should not "hack" on their instrument (horsing around on their instruments)
- At the end of rehearsal all materials are put back where they belong.
- Maintain a strong academic standing in all course work. No excuses!
- Have and show respect to oneself and to others.

Rehearsal Policy

The Bentonville PRIDE maintains a standard of excellence. For us to maintain that standard we must insist that **ALL** students are present during rehearsal times. Please schedule your vacations, doctor, dentist, and other necessary appointments during a time we do not have rehearsals scheduled.

Though we understand that conflicts are sometimes unavoidable, please keep in mind that your child is a part of an organization that depends on the participation of all its members at a high level. They are not more important than the group.

Conflicts with other school activities must be resolved no later than 2 weeks in advance. We have an excellent working relationship with other arts and sport activities in school and we ask that you respect all organizations' times by having fair compromises. Fair compromises are equal time split. **Non-school functions are not in accordance with school attendance policy and will not be allowed for excused absences from rehearsal or performances.**

Excused Absences

The only excused absence are **those that are pre-arranged** unless it is a sudden death in your family, or illness (must be accompanied with a doctor note). *"I don't feel good"* is not an excused absence.

It will never be "OK" to miss a rehearsal. Never ask, "Is it OK that I miss?"

Missed Performances

Is considered a level 3 infraction (without discipline) in the Band Program and will be grounds for suspension or removal from the program under the discretion of the Director of Bands.

Facilities

The Bentonville PRIDE Marching Band practices on the South Parking Lot aka "The Skillet" (because of the black asphalt surface) adjacent from the East/West Gyms on the Bentonville High School Campus from 4:30 to 6:30 pm on Monday, Thursday and Friday. We also practice at Tiger Stadium on Tuesdays from 5:30 to 9:00 pm. We are very fortunate the school allows us the opportunity to be at the stadium. We ask that all students and parents treat the facilities with the highest respect and do not leave trash or personal belongings at these sites after rehearsals.

All students and parents are to respect the school policy of no alcohol beverages or tobacco products of any kind while on the Bentonville High School campus. This includes any type of vape or e-cigarette.

Uniform Etiquette

As a member of the Bentonville PRIDE, the most visible element of our ensemble is our uniform. The uniform is a trademark of our excellence in performance and appearance. The following guidelines are to be followed always when wearing and caring for your uniform.

Each uniform consists of a plume, shako, shirt, sliders, jacket, gauntlets, pants, black socks, black shoes and gloves. Uniforms are required to be stored properly (hung on issued hanger) after each performance. Uniforms items are never to be thrown in a bag and wrinkled.

The uniform should be a consistent image of the ensemble, no embellishments or enhancements to the uniform can be made. If a member wishes to wear any good luck charms or mementos, we ask they be kept non-visible.

Hair length on all musicians should not be longer than their uniform collar. If your hair is longer, feel free to keep it as if so, just put it back and up securely into your shako. We do have required hair styles/cuts that match for men and women during the competitive season.

Students are never to present themselves "out of uniform". Uniform jackets must be on and zipped along with all proper wear. Students cannot wear tennis shoes, flip flops or any other footwear while in uniform except for their viper marching shoes. Students who are caught out of uniform will be considered a level 1 infraction.

CODE OF CONDUCT

Though the goal of excellence through music and performance is a priority, above all things, building respectable citizens is the focus of the Bentonville PRIDE Marching Band.

Marching Band is a team sport and as a collective, we depend on each member to perform at his or her highest level possible. With the 250 members of our organization, we must all adhere to the same policies and guidelines as stated.

Bentonville High School and Arkansas Activities Association (AAA) has the highest standard of conduct that we will adhere to.

THE USE OF ALCOHOL OR DRUGS IS STRICTLY PROHIBITED. Students found engaging any illegal use of alcohol or drugs will be removed from the program immediately for Level 4 infraction.

Manners: How we interact with people is extremely important. We encourage manners and politeness through how we talk and act toward each other. We are grateful to have a team of extremely hard-working volunteers that will be always treated with respect by students and directors.

Student Dress: Students will not be allowed to wear jeans with holes or rips at competitions or when we are traveling with the band/guard organization. Students will not be allowed to wear shirts that promote controversial subjects or are suggestive. **Attire must maintain the school policy as outlined in our student handbook.**

Attitude: The attitude that you bring and develop is extremely important. We consider your attitude when it comes to leadership positions and solo positions. Though you are an individual, you are a part of something larger than yourself. We all will work hard and dedicate ourselves to a common goal of excellence. Negative attitudes toward others or staff will not be tolerated.

NO COMPLAINING!

There are many other hard-working and excellent groups in the country. We ask that you always respect their performances and applaud their efforts and achievements. **We are not in competition with these ensembles; we are in competition with ourselves.**

We are a family, and like all families, we have our good and bad days. You will make lasting friendships through this activity that will last long after your high school experience. **DO NOT OVERREACT TO THINGS YOU HAVE NO CONTROL OF.** Only concern yourself with your own efforts.

ENJOY THE MEMORIES THAT YOU WILL MAKE FROM THIS WONDERFUL EXPERIENCE!

TRAVEL POLICY

All our travel will either be on school buses or Charter buses. We will adhere to school and charter policies when traveling. Any student who engages in activity that is against these rules will result in disciplinary action through the school.

NOTICE TO PARENTS/GUARDIANS: While your child is on a school activity trip, they will not be allowed to be checked out until the event is over and we are leaving the performance site. There will be NO EXCEPTIONS made for students and families who wish to leave after the student performance. Contests and/or Concerts are not opportunities for family vacations.

EXEMPTION POLICY

The Bentonville Band Program does have an exemption policy from COMPETITIVE marching band activities. This does not excuse students from participating in football games, pregame marching band, pep-rallies, basketball games, or any other function or rehearsal outside of the competitive PRIDE Marching Band program.

The following are reasons for exemption:

1. Students are taking 3+ AP courses. PRE-AP **does not** apply.
2. Students are involved in an **IN-SCHOOL** season activity such as Football/Cheer/Dance.

All exemptions must be declared by June 1st by filling out our EXEMPTION FORM

Failure to attend practices may result in loss of a competitive spot or being removed from the program. Any student who fails to attend school (excused or unexcused) on the day of a school-sponsored activity shall not be eligible to participate or compete in any extracurricular activities scheduled after school hours. This also includes practice sessions. On a case-by-case basis, the Director of Bands or his/her designee may approve an exception to allow participation based upon special circumstances. A student who participates in any practice session in violation of this policy shall be suspended from participation in the next scheduled practice.

Any student who participates or competes in a game, competition, or other school-sponsored activity in violation of this procedure shall be suspended from participation in the next scheduled game, competition, or activity (other than practice).

MEDICATION

Students are not able to self-medicate while on school travel events. Students who take prescribed medicines will have to check that into a designated school official and will be administered under the supervision of an adult during a routine schedule.

Students who have been prescribed medicine will need to fill out the overnight prescription drug form 72 hours in advance of any travel. Any prescribed medicine that is found on a student who has not followed appropriate procedure will be handled in a manner that is within school policy under confiscated prescribed drugs.

PRIDE FEES/BAND FEE

It is important that students and families keep their accounts current and in good standing. The “fare share” fees go to student lodging, travel, goods and meals for the season. The fees schedule is outlined in your PRIDE contract and agreement. Students and families that have financial restrictions must communicate with the Director of Bands and must actively participate in fund-raising activities to receive a scholarship.

Pride Fees are outlined in your Student Contract Agreement. SCA are due by May 15th, 2023.

STUDENT HEALTH

Your student safety is paramount to our organization. All our staff is First Aid and CPR certified in the case of emergency. Students are to maintain high health standards during summer “off time” to prepare themselves for the rigor of marching band rehearsals. While students are present at rehearsal, we ask that these guidelines be followed.

- Students must eat a nutritious and balanced breakfast and lunch.
- Water is always to be kept on the student.
- SPF 30 or higher sunscreen must always be applied.
- Sunglasses should be worn during rehearsal.
- Athletic shoes must always be worn; students who wear any footwear will be dismissed from that rehearsal to get appropriate footwear. **NO EXCEPTIONS**
- Have a healthy sleep cycle.
- Protect your body against chafing.
- If you have any chronic condition such as joint and muscle weakness discuss with your family physician ways in which you can improve your participation in this activity.

HEALTH GUIDELINES

According to the American Pediatric Association, a healthy Male should maintain 12-16% body fat and Females 16-22% body fat.

Aerobic Activity is any exercise that maintains your optimal heart rate for 30 minutes between 60 – 80% of your safe maximum heart rate. Your maximum heart rate formula is $220 - \text{your age} = \text{MHR}$

HEAT RELATED INJURIES

Each body responds similarly to heat by dilating the blood vessels that increase your heart rate and cause you to sweat. Sweating is a very important function to maintain a healthy body temperature. If you are not sweating, then you are not properly hydrated, and you must not do physical activity.

Students are to drink 8 ounces of water per 45 minutes of physical activity in the heat.

Please be sure to monitor and be mindful of what your body is telling you when it comes to heat. Though we admire your dedication to “push through” your health is the most important thing that you have. Do not compromise it by being irresponsible.

We follow Arkansas Activities Association and Bentonville School District [policy](#) in regard to excessive heat and follow these guidelines. In the areas it says no practice, that is regarding outside activity. We will still rehearse, but indoors.

PLEASE EXERCISE DURING THE SUMMER MONTHS AND MAINTAIN AN ACTIVE OUTDOORS REGIME

SUPPORT/BENTONVILLE BAND BOOSTERS

Our organization could not exist without the support and dedication of our band parent organization. All parents whose children participate in the PRIDE are expected to take an active role in supporting their student’s endeavors. Whether it is volunteering in the concession stands, band feeds, chaperoning an event, building props or supplying water for football games, no job is too small or too big!

Bentonville Boosters General Meetings are on the 3rd Monday of each month @ 6:30 in the Bandroom, BHS Campus.
