

BENTONVILLE HIGH SCHOOL BAND PERCUSSION

Required Mallet and Stick List

The following items will be a requirement for ALL Bentonville Band Percussion Students. Though we understand these costs are expensive, they are no different than any other band member who has to pay for their instrument, reeds, or mouthpiece.

Bentonville Schools or Bentonville Band will no longer provide sticks and mallets to percussion students, only the percussion instruments.

Yes, you may have to buy more mallets or sticks depending on your assigned parts, but this is a general list that each student will need while they are a percussionist at BHS.

You should **NEVER** borrow or take sticks from a bag that isn't your own personal bag, including school owned mallets and sticks. If you need to borrow school equipment, you should **ALWAYS ASK**, even if you think the answer is going to be yes. Students who take or "borrow" equipment without permission will be sent to the Dean. This is under section **4.19 - Prohibited Conduct** of the Student Handbook.

Percussion students should expect to have their personal stick/mallet bags periodically evaluated by the Band Staff. Students will be checked for correct items and their condition. Items that are not in good condition will be asked to replace at the students expense.
